Hyderabad, Telangana, India

• EXPERIENCE

Research Associate - Accounting

August 2024 - July 2026

Indian School of Business, Hyderabad, Telangana

- Under the guidance of Prof. Hariom Manchiraju, developed the "Apollo Hospitals Versus Max Healthcare – An Investment Decision" case study for an MBA Financial Services Analysis course, applying advanced concepts including DuPont Analysis, Fair Value vs. Historical Cost accounting, and Operational/Segment Adjustment.
- Assisted for a working paper, "The informativeness of consolidated and parent-only earnings to investors: Evidence from India," published in Contemporary Accounting Research (2025), by quantifying measurement errors in reported Profit After Tax (PAT) figures.
- Conducted comprehensive literature review studies on "Credit Ratings," systematically identifying key research questions, methodologies, and gaps in existing academic discourse.
- Completed an independent study of "Accounting Research: An Introductory Course" (Gow and Ding) under faculty guidance, thereby strengthening foundational knowledge in empirical accounting research design and historical academic development.
